25X1

7 October 1949

25X1 1. The FRIEDERSDORF (N 53/V 12) improvised airfield was not occupied.

10 October 1949

25X1 2. The improvised airfield, about 2,500x5,000 feet, southeast of the village of FRIEDERSDORF and south of the railroad line to BEESKOW (N 53/V 41), was unoccupied and unguarded. The landing field was sodded. According to local residents, this serviceable airfield has not been used for a long time.

25X1 Comment:

a. The existence of an improvised airfield near FRIEDERSDORF, 2,400x3,300 feet, was known from World War II records. No other reports on this airfield have been received since the war. The field apparently is not used by a Soviet air unit.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 13 October 1979 from the Director of Central Intelligence to the Archivist of the United States.
